File No. Proj/4-164/20-II

Dated: 22nd July, 2020

CORRIGENDUM-II

In reference to the e-Procurement inviting Tender Notice invited vide notice No. Proj./4-164/20-II dated 08.07.2020 for proposed project “Immersive Group Virtual Reality tour in a Bus in transit of Rohtang Tunnel (Leh-Manali Highway) Distt. Kullu (HP)”. In the bid that participants in the pre-bid meeting can raised their query through e-mail. As per section 4 page no. 13 item No. 6 of RPF it was mentioned that all queries of aspirant/bidder shall be replied through video conferencing on 18.07.2020 received through e-mail by 17.07.2020 till 5:00 PM. Accordingly link shall be provided to them before 10:00 AM of 18.07.2020. The virtual conferencing started at 2:00 PM on 18.07.2020. The aspirant/firms who have participated in the pre-bid meeting has been tabulated along with name of their representative, queries/reply and are as under :-

Sr. No.	As per Query	May be read as
1	Can joint venture with a foreign European or US company is allowed and joint turnover counted for qualification as the assignment is very complex and our principle company in Europe has similar expertise for Bus and Truck simulator.	Will remain as per RFP
2	For the EMD, companies registered with NSIC and or MSME are eligible for the EMD @0.5% instead of @2%.	Will remain as per RFP
3	In work experience similar value international assignment can be consider.	Foreign work orders in experience of work are not allowed. Will remain as per RFP
4	There is mention of drawings and estimates can be seen in the office of the Executive Engineer on any working day from 10.00 am to 5.00 pm at point number 9, as the technical details are already mentioned, which drawings are referred to, here, besides due to Corona, we cannot visit office at Shimla.	This refers to the drawing of the location at which BUS will be stationed which includes place of installing charging station

5	Do we have a charging point there at the venue, where is the nearest charging point	Electrical Connection will be provided, Bidder has to install the chargers including Civil work as mentioned in BOQ.
6	25 seater bus has a length more than 9 meter plus,	Will remain as per RFP
7	Standard time as per Indian standards is 2hrs -2:30 hrs	Will remain as per RFP
8	What should be height of the bus to get clearance from the transport Dept	As per Specification mentioned in RFP
9	Non Ac 150 Km/ Ac 120 Km on an average, these are feedbacks from the market	Will remain as per RFP
10	Please suggest a manufacture who have this specs which You have mentioned	Bidder has to select BUS OEM based on specification given in the Tender document
11	Can HPTDC suggest any of the BUS OEM for this project?	Bidder has to select BUS OEM based on specification given in the Tender document.
12	Will the Electrical supply be provisioned for the bidder already?	Electrical Connection will be provided, Bidder has to install the chargers
13	The terms here do not indicate when PBG will be returned. We are assuming the PBG will be returned after completion of project and one year of O&M. Post which we will submit a new PBG of contract value of 4 years of O&M, which will be returned later after the completion of 4 years of O&M. Please confirm.	PBG will be returned at the end of O&M (on completion of 5th year after 3rd months) EMD will be returned as soon as the PBG is submitted by Successful Bidder
14	High PPI (Pixel Per inch) having: Please amend to 55" Size & OLED Technology, So no artificial light is required to play Video/Photos etc , OLED is the latest Technology ,used in many premium projects.	Will remain as per RFP, as we need customize transparent screen.
15	Transparency 85 - 95 % Please amend to 38% or higher to allow Latest OLED Technology	Will remain as per RFP
16	Bezel 0.3 - 0.5 mm Please amend to bezel size 7.9 / 7.9 / 7.9 / 121.7 (mm, Set, T/L/R/B) , 0.3-0.5mm is too less to hold transparent panel	Will remain as per RFP

17	Refresh Rate 50 hertz Please allow Refresh Rate 60 hertz , So other OEMs can participate	50Hz is minimum Refresh rate required for transparent screens, bidder can have better refresh rate if required.
18	Minimum 1 HDMI port Please add inputs HDMI, DP, USB ,LAN to cover all types of latest inputs	Bidders should assure right display connection port based on the solution, making sure it should have minimum 1 HDMI port.
19	Response time of 0.06 milliseconds Please amend to 8ms , as per industry standards	Will remain as per RFP
20	Power requirement of 240 V AC, 60 - 90 Watt Please allow 320 W or less as per industry standard	Will remain as per RFP
